Jl. Letjend S Parman No 4, RT 023 RW 006, Kelurahan Tosaren, Kecamatan Pesantren, Kediri, Jawa Timur

I'm a fresh graduate Informatics Student at Universitas Atma Jaya Yogyakarta, passionate about Software Development with a strong interest in web and database development as a full-stack developer. Driven by a passion for learning new things, I enjoy solving problems both independently and as a part of a team. I am committed to continuously improving my skills and contributing to creating innovative and impactful solutions.

Education Level

Universitas Atma Jaya Yogyakarta - Yogyakarta, Indonesia — Aug 2022 - Aug 2026

Bachelor of Informatics, 3.92/4.00

- Relevant Coursework : Web Programming, Object-Oriented Programming, Data Structures, Database Systems, Software Testing, Software Architecture.

Work Experiences

PT Digital Nusantara Adisolusi - Yogyakarta, Indonesia — Aug 2025 - Feb 2026

Full Stack Developer Intern

- Contributed to the development of 4 web applications across learning management, psychological assessment, physiotherapy booking, and cryptocurrency asset monitoring.
- Developed and maintained application features across the full software development lifecycle, including requirement analysis, UI implementation, database design, backend development, testing, debugging, and deployment preparation.
- Built and integrated backend services, databases, and frontend interfaces using Native PHP, Spring Boot (Java), React, TypeScript, Node.js, Express.js, MySQL, MongoDB, and PostgreSQL.
- Collaborated with development teams using GitHub and GitLab for version control.

Universitas Atma Jaya Yogyakarta - Yogyakarta, Indonesia — Aug 2024 - Feb 2025

Assistant Lecturer of Database

- Mentored 120+ students in database fundamentals using Oracle, MongoDB, and GraphDB, covering SQL queries, JOINs, subqueries, set operators, aggregation, DDL, and DML.
- Delivered hands-on practical sessions with assignments and assessments to develop students' database skills.
- Evaluated students work and provided feedback to improve technical skills and application of database concepts.

Organisational Experience

Leaders Community Universitas Atma Jaya Yogyakarta - Yogyakarta, Indonesia — Sep 2022 - Jun 2024

Member of Social and Political Division

- Contributed to 6+ major programs within Leaders Community UAJY, a student leadership organization focused on developing leadership, social awareness, teamwork, and organizational skills.
- Served as Vice Chief Executive of Kelas Alam, coordinating 100+ people in a mangrove planting program.
- Held various leadership and operational roles in event management, logistics, communications, security, and social affairs.

Sport Art Creative Festival (Sparkfest) #11 - Yogyakarta, Indonesia — Dec 2022 - May 2023

Member of Security Division

- Supported security and crowd management across Sparkfest activities, including sports, arts, exhibitions, bazaars, and concerts.
- Coordinated participant flow and monitored event areas to maintain safety, order, and smooth operations.
- Collaborated with organizers and security staff to enforce safety guidelines, manage risks, and respond to incidents.
